Product development

The revelation of this recipe with powerful harmony and subtle balance, combines 26 plants, roots, and spices meticulously selected for a memorable tasting experience.

Expert's assessments

This luminous green Elixir captivates with its complex bouquet of herbal, spicy, and aniseed notes, enhanced by a menthol freshness.

On the palate, it offers a fresh attack with intense, lingering flavors of licorice and cinnamon. A long, warm, and spicy tasting experience, perfect for those who appreciate rich and sophisticated aromatic sensations.
