

GABRIEL BOUDIER DIJON®

Bergamote Liqueur

Discover our Bergamot Liqueur, a refined creation where the elegance of bergamot shines through fresh, zesty, and floral notes. This unique blend reveals the full aromatic intensity of Mediterranean citrus, offering a subtle balance of vibrancy, sweetness, and finesse. Perfect in cocktails or enjoyed neat.

Product development

Our Bergamot Liqueur is carefully crafted through a meticulous process. A delicate combination of bitter orange infusion, concentrated lemon juice, and natural essences of bergamot and mandarin captures the full richness of citrus fruits. The blend is then completed with sugar, water, and fine alcohol, ensuring intense freshness and an authentic aromatic expression.

Expert's assessments

A tasting experience that combines freshness, finesse, and long-lasting aromas.

Nose :

Intense and refined, dominated by bright bergamot zest, supported by soft mandarin notes and a touch of bitter orange.

Taste :

Fresh and enveloping, with a lively attack highlighting bergamot. Sweet roundness perfectly balances the citrus tension, offering a beautiful harmony between aromatic power and delicacy.
