

GABRIEL BOUDIER DIJON®

Coconut Liqueur

Product development

Our Coconut Liqueur is made from natural coconut essences, carefully combined with water, sugar, and fine alcohol. Crafted with the utmost care, it guarantees a crystalline robe of great purity, reflecting its authenticity. This composition highlights the true flavor of coconut in an elegant and refined liqueur.

Expert's assessments

A sunny and indulgent liqueur where coconut expresses itself with intensity and smoothness.

Nose :

Clear and enticing, marked by intense notes of fresh coconut and sweet flesh.

Taste :

Soft and round, offering a silky texture. Coconut asserts itself with indulgence, balanced by a subtle freshness that prolongs the tasting experience.

Usage

Add an exotic and creamy touch to your creations. Perfect in a Piña Colada, a Coconut Spritz, or simply over ice. Also delicious as a dessert topping or in indulgent signature cocktails.
