Pear Liqueur

Discover our Pear Liqueur, a tribute to the delicacy and indulgence of Williams Pears. Between fruity freshness and floral subtlety, it reveals all the aromatic richness of this emblematic fruit in an elegant, refined liqueur.

Product development

Our Pear Liqueur is crafted from natural pear essences, combined with other fruity notes and enhanced by a Williams Pear eau-de-vie that brings depth and authenticity. A touch of lemon juice balances the whole, while the blend of water, sugar, and fine alcohol ensures perfect harmony between sweetness and intensity.
